

Be the SPARK

NewPath Child & Family Solutions

2022 Heart & Hope Gala

*Ignited by hope, be the spark
that catches fire to heal the
hearts of children.*

We invite you to join us as a sponsor of the NewPath Child & Family Solutions 2022 Heart & Hope Gala on Thursday, September 29, 2022, with all proceeds benefiting the children and families supported by NewPath. Our gala will take place from 5:30-8:00 PM Thursday at the beautiful Anderson Pavilion in the vibrant Banks district of downtown Cincinnati. The event will feature cocktails, appetizers, dinner, a stewardship presentation, and scenic views of the Ohio River, the Roebling Bridge, and the Cincinnati skyline.

Last year, NewPath Child & Family Solutions (formerly St. Joseph Orphanage) impacted the lives of more than 11,000 children and families recovering from trauma in Southwest Ohio. The children we support experience behavioral, educational, and mental health concerns, many of which are trauma related. Your generosity will help provide treatment programs to promote positive life changes and future successes for these children and their families. Because of you, children who will not only receive the services they need—they will find hope for healing and recovery.

Please review the listed sponsorship opportunities. We hope you will consider Being the Spark to make a lasting impact on the lives of the children of NewPath by joining us as a 2022 Heart & Hope Gala sponsor!
