Individual Giving Spotlight John & Kimberly How

John and Kimberly How have been loyal donors of NewPath for many years and felt the call to do more. They contacted NewPath's Development Team to inquire about fulfilling any urgent needs. A few days later, NewPath's Medical Team required emergency medical boxes for their residential units. John and Kimberly immediately provided the funding needed to ensure the health and safety of children & teens in NewPath's residential unit are taken care of, not just now but for years to come. Their impact and passion truly made a difference for children who needed them most.

"Through my association with NewPath over the years as both a volunteer and a Board member, I've seen firsthand how they make a difference in the lives of disadvantaged kids. When the need arose for emergency medical kits at the residential facility, we were more than happy to answer the call." - John How

Impactful Corporate Partnership Paycor

Paycor has a long-running partnership with NewPath through holiday drives, volunteerism, and gala sponsorship. Last summer, Paycor started a team volunteer day to make an even larger impact while also providing team bonding toward their internal company culture. Small groups of Paycor employees reorganized NewPath's Welcome Center, created HR packets and Development folders, cleaned and prepped Residential rooms, and landscaped NewPath's Hamilton County-East Campus. Paycor then played a friendly kickball game with NewPath High School students to provide a fun end to a fulfilling day of service.

Sarah's Story

Finding the Inner Strength for a Brighter Future

Sarah* has worked with NewPath for almost two years. Her treatment with NewPath's School-Based Counseling services centered around grief management after the untimely loss of her step-mom.

Schoolwork and daily life became challenging, but she never gave up. Together with NewPath, Sarah pushed through her pitfalls and struggles by continuing to work hard on herself.

Sarah discovered a strength inside her that she thought was gone. Her hard work continues to pay off, including the recent accomplishment of receiving FIVE college acceptance letters so far.

Sarah was able to find her inner strength due in part to her support network of family and friends, and NewPath employees, donors, and volunteers. Join us in making a difference in our community and the lives of children, teens, and young adults like Sarah.
