

## Donation FAQ

### *All Donations Must Be New & Unused*

#### WHAT ITEMS DOES NEWPATH NEED?

NewPath supports K-12 school aged children, young adults, and their families. If you use it in your daily life, we probably need it too. Our biggest needs are adult clothing and shoes, art supplies, hygiene and cleaning products, and toys and games for teens and children.

#### ARE THERE ITEMS NEWPATH WON'T ACCEPT?

We appreciate all donations, however, we can NOT accept used or gently used items, furniture of any kind, toy weapons (nerf guns, swords, etc.), games depicting violence, or R-rated movies.

#### CAN NEWPATH PICK UP MY DONATION?

We are not able to pick up donations. Please arrange a drop off time with our Development team by emailing [Development@newpath.org](mailto:Development@newpath.org). Our address is **5400 Edalbert Drive, Cincinnati, OH 45239**

#### DO I NEED AN APPOINTMENT TO MAKE A DONATION?

We like to spend time with our donors, so scheduling a time to come is preferred. This allows us to have staff and carts available to help you unload. If you're in the area and have a few items to donate, feel free to stop by our West Campus anytime between 9 AM – 3 PM, no appointment is needed. **5400 Edalbert Drive, Cincinnati, OH 45239**

#### CAN I CLAIM A TAX DEDUCTION FOR MY IN-KIND DONATION?

Yes. Please complete our Donor Form and we will send a tax acknowledgment letter for any donations made, monetary or in-kind.

\*NewPath can **only** accept **new and unused items**. We are not equipped to accept donations of used or gently-used items, but we appreciate you thinking of NewPath and our children for these! If you have gently-used items that you would like to donate to a great cause, St. Vincent de Paul can be reached by calling (513) 421-CARE (2273) or at [www.SVDPcincinnati.org](http://www.SVDPcincinnati.org). Your items will either be given to a family in need, free of charge, or sold in the thrift stores with proceeds benefiting programs such as homelessness prevention, food pantries, and more!
