

There is hope. There is help.

At NewPath, we do more to make a difference—more for each child, each client and our community. Backed by a full breadth of services, we get to the heart of every case and deliver the best opportunity for change. **Every program improves lives, and every person ignites hope, one success story at a time.**

ASSESSMENT ages 3+
No referral needed

Assists in identifying suspected behavioral health and educational concerns, and provide ongoing treatment recommendations.

MEDICATION MANAGEMENT ages 3–22
No referral needed

Psychiatric assessment and medication management for individuals in need of continued psychiatric support.

OUTPATIENT
No referral needed

Therapy & Counseling Services ages 3+
Individual, group, and family therapy for youth and adults in your home, school, or community setting. Office-based and telehealth options also available.

Case Management ages 3–22
Community-based case management is supporting youth and their families in navigating behavioral concerns. Helping develop and implement effective strategies and coping skills to enhance daily life. Additionally, connecting families with valuable community resources.

Care Navigation ages 3+
Care Navigators will be the personal point of contact to manage personalized treatment in efforts to increase individual progress and outcomes.

Transition to Independence ages 14–22
(Butler County ages 14–24)
Intensive community-based (outpatient) services focusing on a successful transition into adulthood.

OhioRISE Care Coordination ages 0–20
The OhioRISE Plan is a single, statewide health plan responsible for providing, managing, and coordinating behavioral health care for children eligible for the OhioRISE Program. OhioRISE offers a “one stop shop” approach to providing care by pairing eligible youth with wraparound Care Coordination and new services, resulting in a simpler but richer service experience.

SCHOOL/EDUCATION
Referral-based

Day Treatment Group Therapy K–12
Daily therapeutic groups offer an environment to support positive social and emotional development and relationships.

Specialized Education K–12
Therapeutic learning environment and Experiential Learning opportunities for students K–12. Individualized instruction and structured classrooms.

School & Community Partnerships
Embedded mental health and behavioral health team and services to public/private schools or other community-based locations.
